

# WE COLLECT INK CARTRIDGES!

We recycle ink cartridge and receive cash in return. The return can range from 50¢ to \$10.00 a cartridge.

Not sure if your cartridge can be used? Just check out [http://www.kartridgesforkidz.com/accepted\\_cartridges.html](http://www.kartridgesforkidz.com/accepted_cartridges.html) or when in doubt - just send it in.

## How to collect Ink Cartridge:

- Send your used cartridge in a Ziploc bag or box with your child and turn them in to their teacher.
- Or drop them beside the "Campbell Soup Label" receptacle and they will be sorted for you.

**REMEMBER** - Your work may just throw theirs out. If so, ask to bring them to us. The industrial cartridges are usually worth more.

**PS** - We need volunteers to box these for mailing. Please contact Vickie Henriquez at (288-4372).
